By signing this document, the participant, the sending institution and the receiving organisation confirm that they approve the proposed Mobility Agreement and consider it highly beneficial for the applicant's academic development and for strengthening research networking, knowledge-sharing and collaboration between the participating institutions and research groups within the Across Alliance.

The hosting institution commits to providing the necessary academic environment and institutional support for the implementation of the proposed mobility activities.

The sending institution supports the mobility as an activity aligned with the objectives of the mobility scheme, including networking, teaching, training and exchange of expertise activities relevant to the participant's field of study and/or research.

The participant will share their experience, in particular its impact on their academic development and on the sending institution, as a source of inspiration to others.

The participant and the beneficiary organisation commit to the requirements set out in the grant agreement signed between them.

The participant and the receiving organisation will communicate to the sending institution any problems or changes regarding the proposed mobility programme or mobility period.

By completing, signing, and submitting the application for the call for proposals, the participant consents to the collection, processing, storage, and transfer of their personal data provided in this application for the purposes of implementing and monitoring Across mobility, for the purposes of state authorities or public bodies and European Community institutions ([Privacy Policy](#)).
